DETAILED ACTION

1. This communication is in response to the BPAI decision made on 08/09/2010 and amendment filed on 10/08/2010.

After thorough search and examination of the present application and in light of the prior art made of record, and in response to the BPAI decision made on 08/09/2010, claims 1-38 are allowed.

Claims 39-60 have been cancelled in response to the BPAI decision rendered on 08/09/2010.

Reason for Allowance

2. The prior art made of record does not teach or fairly suggest the combination of elements, as recited in independent claims 1, 15 and 27. More specifically, the prior art of records does not specifically suggest "wherein each remote agent system collects metadata regarding the data stored at a respective remotely located data storage system, converts the collected data to a standardized format, and stores the collected data in the central data repository" in combination with all the other limitations in the independent claims.

These features together with other limitations of the independent claim are novel and non-obvious over the prior art of record. The dependent claims 2-14, 16-26 and 28-38 being definite, enabled by the specification, and further limiting to the independent claim, are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2166

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to USMAAN SAEED whose telephone number is (571)272-4046. The examiner can normally be reached on M-F 8-5.
